- Faceplate length 275mm
- Faceplate width 22mm
- Back set 28mm
- Double claw hooks locking in 2 directions

List Price: R308.82

NEW RANGE OF LOCKS AND CYLINDERS

New latch lock: HZ032

Replaces HZ014 lock ****see notes below****

Basic features:

- Faceplate length 240mm
- Faceplate width 22mm
- Back set 35mm
- Full stainless-steel lock body
faceplate assembly

ListPrice: R148.63

NEW RANGE OF LOCKS AND CYLINDERS

New 65mm cylinder: HA157

Replaces HA155 cylinder ****see notes below****

Basic features:

- 65mm length
- Brass cylinder – satin finish
- 3 keys per cylinder

List Price: R118.95

New escutcheon plate: HA158

List Price: R22.30

Important Note:

- HZ030 & HZ014 were supplied with cylinders and HZ033 & HZ032 is not supplied with cylinders so HA157/HA158 should be added.

NEW RANGE OF LOCKS AND CYLINDERS

In essence, there is a reduction in price when you combine these items together as per the below:

- HZ032+HA157+HA158
= R289.88 vs R439.87 for HZ014
- HZ033+HA157+HA158
= R451 vs R981 for HZ030

Stock of all the above items are now available and will be listed in the new version of Quick Quote which will be released in October 2018

All the items have been sourced directly from the producing factories which means we are able to provide these items at competitive prices.

Contact your nearest HBS branch for more information.
