# REASONS WHY ARCHITECTS, FABRICATORS AND HOME OWNERS LOVE ENIGMA

## 1. SEAMLESS SIMPLE DOOR & SKIRTING SYSTEM

Choose our revolutionary Enigma system for a high-end, modern and luxurious look that ensures perfect seamless continuity between the door and wall.

## 2. DURABLE PRODUCTS

Our sections allow for effortless and long lasting products, superior to competing products.

## 3. QUICKER FABRICATION & FLEXIBLE INSTALLATION

Quality assured precision punching, makes machining and fabrication faster and more cost effective. Easy installation.

## 4. LOCALLY STOCKED & SUPPORTED

All Enigma profiles and hardware are available off the shelf, so no extended lead times. Place the order, choose the colour and you will be fabricating and installing in no time.
